House at Ukkel

An exceptional property awaits you on one of Fort-Jaco's finest avenues: a villa designed by architect Marc Corbiau offering 800 m² of living space. It offers a remarkable layout:

On the ground floor, you'll find a vast entrance hall, cloakroom and toilet, spacious, light-filled reception rooms with fireplaces opening onto a magnificent terrace and south-facing garden, a convivial dining room and a fully equipped kitchen with dining area. In addition, there is a secure indoor swimming pool for children, a sauna, a shower, toilets and a changing area.

Upstairs, the master suite has a dressing room, bedroom, terrace overlooking the garden and en suite bathroom. There are also five further bedrooms, an additional bathroom, a shower room and a large 20 m² study on the same level.

The basement offers a large 60 m² multi-purpose area that could be converted into a sports or games room, a laundry room, as well as various cellars and a wine cellar.

There is indoor parking for two to three cars and several outdoor parking spaces.

In addition, you have the option of renting a 180 m² caretaker's cottage with two bedrooms and a garden for an extra €2,000.

This rare property is waiting to be viewed.
