JOURDAN SQUARE - 1 bedroom flat + terrace

 **Rue de l'Orient 50-52, 1040 Etterbeek**

Victoire-Junot is pleased to present this exclusive 30-unit project, a new living experience full of character, located in Etterbeek, in the immediate vicinity of the European Quarter.

This 1-bedroom, crossing apartment with entrance on rue de l'Orient, is as follows:

Entrance hall with separate toilet and laundry/technical room opening onto the beautiful living space looking onto rue de l'Orient on the SOUTH side, comprising the super-equipped kitchen, dining room and living room. The bedroom is at the rear of the apartment, with terrace and a view over a green roof, and adjoining shower room (with shower and washbasin). Cellar included.

Sustainable building materials, attractive landscaping of the inner courtyards, excellent energy performance for the ensemble. The Place Jourdan district stands out for its convivial atmosphere and quality of life, enhanced by the green spaces of Parc Léopold and Jardins Louis Hap, as well as by its quality and wide range of shops. When it comes to culture, you're just a stone's throw from museums, theaters and leading schools.

This project is designed by the developer Propintra SA and the architectural firm NEST ARCHITECTS (a collaboration rewarded by some very fine recent projects in Brussels).

Whether as for living or a rental investment, this project is an unique opportunity in this pleasant commune of Brussels. Delivery is scheduled for the end of 2027.
