Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 3, 1180 Ukkel**

The new apartment project "Les Promenades d'Uccle" is enriched by the addition of the charmingly unique building "CANOPEE". Located in a lush green setting, Victoire Junot presents this stunning 3-bedroom apartment that will captivate you with its brightness, generous spaces, and unobstructed view of the pleasant, tree-lined square. Ideally oriented, it also enjoys a spacious 17 sqm² terrace.

Upon entering, you are welcomed by a hall with separate toilet and a technical/storage room. The living area (39.60 m²) comprises a fully equipped open kitchen, a dining area, and a comfortable lounge — all benefiting from the optimal sunlight exposure.

The master bedroom features a private shower room with double washbasin and toilet. The two other well-sized bedrooms share a bathroom with bathtub and washbasin.

This development is designed as a low-energy construction with minimal ecological impact. The finishes are sober and elegant, and the quality materials have been carefully selected to ensure optimal comfort. Excellent EPC, as expected!

A parking space (mandatory and at additional cost), a bicycle storage room, and a private cellar complete the offer.

The sale is subject to registration duties on the land portion and VAT on the construction.

This residential area, located in the heart of the Natura 2000 zone on the Kinsendael plateau, offers a countryside atmosphere just 7 minutes from Fort Jaco or Vivier d'Oie
