Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 8, 1180 Ukkel**

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire -JUNOT offers:

This attractive, well-appointed studio with garden overlooks the main street. A small entrance hall with separate toilet and utility room, followed by a beautiful living space with superbly equipped kitchen, living room and dining room. Sleeping area and shower room complete the picture.

This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC) !

Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction.

This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside!

Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
