W56 - 3 bedroom flat + terraces - NEW

 **Boulevard de la Woluwe 56, 1200 Woluwe-Saint-Lambert**

With a beautiful view of the Natura 2000 site and on the edge of Boulevard de la Woluwe, the residential development W56 is particularly well located and consists of 28 apartments + 2 commercial spaces, designed by architectural firm ARCHI 2000. Victoire Junot proposes here : A splendid 3-front, 3-bedroom corner apartment. It is superbly bright and enjoys 2 terraces (front and rear). The spacious living room with dining area and superbly equipped open kitchen is at the front of the apartment, and is extended by a 29 m² terrace facing south-east. The utility room and laundry room also form a back kitchen. 1 large hall (+ checkroom) links the bedrooms and living areas. The master bedroom is particularly bright, as it is located on the rear corner of the apartment and, like the other 2 bedrooms, benefits from access to the beautiful south-facing terrace on the garden side. 2 bathrooms - 1 shower room - 2 separate WCs. 2 Bike spots (included). Additional extras: parking and cellar (mandatory). Motorcycle parking (optional). Gentle mobility with a multitude of transport links nearby, a choice of stores, good schools, sports clubs and, last but not least, beautiful parks, are the main assets of this wonderful location. Sale subject to 21% VAT on the land and building (with a possibility at 6%). Contact us today for more information about this project: 02 3751010 / new@victoire.be
