F 59 | Fort Jaco – Exceptional 3-Bedroom apartment with terrace and garden

 **Avenue de Foestraets 59, 1180 Uccle**

Victoire Junot presents this exceptional ground-floor apartment of 214 sqm², located in the prestigious F59 project, ideally situated near the Sonian Forest and Fort-Jaco, on the elegant Avenue de Foestraets. This unique property includes 54 sqm² of South-West-facing terraces and a private garden of 670 sqm², a true green haven in the city. The apartment benefits from two separate entrances: one leading directly from the garden into the living area, and the other via the communal spaces, arriving more classically into the hall and the private area of the property. The apartment is laid out as follows: The entrance hall with laundry room leads directly to the private wing, where you'll find the master bedroom with two spacious dressing areas, a bathroom (featuring a bathtub, shower, double vanity, and separate toilet), and an access to the terrace. The hallway continues to the two other bedrooms, each with its own shower room (with shower, single sink, and separate toilet), as well as a guest cloakroom and toilet, before opening up into the spacious living and dining room. The separate, fully equipped high-end kitchen, extended by a pantry, is designed around a central island, ideal for both cooking and entertaining. You'll be able to choose your kitchen from two premium designers: R. Degenette from VENDREDI or Vincent Van Duysen for Molteni at InStore. This space also has direct access to the terrace and garden. The interior finishes and materials were carefully selected to ensure a refined, comfortable, and durable living environment. The apartment meets the latest thermal and acoustic insulation standards, and is equipped with an individual heat pump and a double-flow ventilation system for optimal comfort. Possibility to acquire a cellar and two parking spaces or a closed garage box. For more information or to schedule a visit: +32 (0)2 375 10 10 – new@victoire.be
