Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 5, 1180 Uccle**

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire-JUNOT offers: This spacious, highly original apartment overlooking the footbridge. A large entrance hall with checkroom, guest toilet and utility room, opens onto the living area comprising living room, dining room and fully-equipped kitchen - extended by a terrace overlooking the rear and the forest. On the other side, the private area comprises 2 bedrooms with balcony, south/west facing views, and a bathroom (bath + 2 washbasins). This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC)! Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction. This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside! Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
