Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

📍 Clos Andrée Dumont 5, 1180 Uccle

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire-JUNOT offers: This attractive 2-bedroom apartment on the 3rd floor, with a through view, benefits from a terrace overlooking the interior of the project and the square. Entrance hall with checkroom and separate toilet. The living area comprises a super-equipped open-plan kitchen, dining room and living room, all extending onto the south-facing outdoor space. A small night hall with the utility room houses the master bedroom with en suite bathroom with double washbasin, bath and WC. The second bedroom also has an en suite shower room (with 1 sink) and a small dressing area. Both bedrooms have balconies overlooking the forest at the rear. This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC)! Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction. This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside! Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
