NEW PROJECT CHANTECLER - Nice 3 bedroom flat + large terrace

Parvis Chantecler 246, 1180 Uccle

Victoire-Junot proposes this large 3-bedroom 2nd floor apartment with terrace, on the left of the building, which features as follows: The entrance hall with a guest toilet and coatroom leads to the large living room with a superbly equipped open-plan kitchen enlarged by a laundry/technical room; a beautiful terrace opens and extends pleasantly around the apartment. The 3 bedrooms are located in the second part of the apartment and benefit from 2 shower rooms (one with bath and double washbasin and the second with shower + single washbasin), 1 additional separate toilet. Every room has an access to the terras. Beautifully located in a quiet corner of Uccle, not far from Linkebeek, the station is a 5-minute walk away and you're only 5 minutes from Fort Jaco/Vivier d'Oie by car. With its shared water tank (for the garden, the communal parts and WC's), exemplary insulation, high-performance windows and durable materials, the entire project has been carefully and rigorously designed to meet current energy standards. A communal vegetable garden will be planted on part of the plot. Delivery is scheduled for late 2026/early 2027. 1 cellar included and parking space available at an additional cost. Sale subject to registration fees for the land (12.5%) and VAT for the construction (VAT 6 % possible under conditions).
