This 2-bedroom apartment features the following layout: Immediate entrance into the beautiful living room, comprising a fully-equipped kitchen, dining room and living room opening at the front of the building. The night hall houses a separate toilet, a laundry room, a utility room and a bathroom (with bath and single washbasin) and leads to the 2 bedrooms, the master ones benefits from a terrace overlooking the gardens. Cellar included. Sustainable building materials, attractive landscaping of the inner courtyards, excellent energy performance for the ensemble. The Place Jourdan district stands out for its convivial atmosphere and quality of life, enhanced by the green spaces of Parc Léopold and Jardins Louis Hap, as well as by its quality and wide range of shops. When it comes to culture, you're just a stone's throw from museums, theaters and leading schools.
