JOURDAN SQUARE - 4 bedroom DUPLEX with terrace & garden

 **DE L'ETANG 121 RUE, 1040 Etterbeek**

Victoire-Junot is pleased to present this exclusive 30-unit project, a new living experience full of character, located in Etterbeek, in the immediate vicinity of the European Quarter. This atypical 4-bedroom DUPLEX inside the condominium features the following layout: Entrance hall with checkroom area, separate toilet, laundry and utility room, which opens onto the vast living space comprising the super-equipped kitchen, living room and dining room. A first bedroom with full bathroom en suite (with shower, single washbasin and separate toilet) makes the 1st floor complete. A terrace extends the space all along the apartment. The staircase leading to the second floor includes a beautiful night hall and the 3 other large bedrooms, each with its own bathroom with shower and/or bath and private toilet. Cellar included. Sustainable building materials, attractive landscaping of the inner courtyards, excellent energy performance for the ensemble. The Place Jourdan district stands out for its convivial atmosphere and quality of life, enhanced by the green spaces of Parc Léopold and Jardins Louis Hap, as well as by its quality and wide range of shops. When it comes to culture, you're just a stone's throw from museums, theaters and leading schools. This project is designed by the developer Propintra SA and the architectural firm NEST ARCHITECTS (a collaboration rewarded by some very fine recent projects in Brussels). Whether as for living or a rental investment, this project is an unique opportunity in this pleasant commune of Brussels. Delivery is scheduled for the end of 2027.
