Saint-Gilles/Châtelain – Heritage Janson, Splendid 2-Bedroom Apartment with Balcony

 **1060 Saint-Gilles**

Victoire Junot is pleased to present this beautiful two-bedroom apartment within the Heritage Janson development, ideally located just a stone's throw from Place du Châtelain and Avenue Louise. Benefiting from nice ceiling heights of 2.75 m, the apartment is laid out as follows: A small entrance hall leads to the bright living area, comprising a living room and dining room. The fully equipped kitchen is separate. A night hall leads to the two spacious bedrooms, each with its own adjoining shower room featuring a shower and single washbasin. One bedroom overlooks the quiet rear of the building, while the second is located at the front. A separate guest toilet and a laundry room complete the property. A private cellar (nr. 4) and a bicycle storage room are included. EPC rating: A. State-of-the-art technical features, including high-performance insulation and quality finishes, provide all the comfort and benefits of a brand-new home. Sale subject to registration duties (12.5%). This project breathes new life into a beautiful Brussels neo-classical building dating from 1905, preserving its timeless charm while meeting the highest contemporary standards. An excellent urban and practical location, close to all amenities, in one of Brussels' most sought-after neighbourhoods.
