Ixelles - Ponds - Louise: Triplex 3 bedrooms

 **DE VLEURGAT 95 CHAUSSÉE/3G, 1050 Ixelles**

Victoire Junot presents you, in the highly sought-after Vleurgat neighborhood, this superb first-occupancy triplex of approximately 150 m², resulting from the complete and high-end renovation of two elegant master houses. Entirely redesigned and renovated with high-quality materials, the property appeals with its generous volumes, brightness, and particularly pleasant organization over several levels. On the second floor, the living level revolves around a remarkable reception area with a good ceiling height, a new light-colored parquet, and very nice brightness. The open kitchen, fully equipped and finished with high-end finishes, integrates harmoniously into this space and gives access to a pleasant terrace, ideal for enjoying sunny days. The third floor is dedicated to the sleeping area and features two beautiful main bedrooms, each benefiting from generous volumes and a layout designed to offer comfort and privacy. The top floor reveals an atypical and charming space, offering great flexibility of layout. Depending on desires and needs, it can easily host a guest room, an office, a small gym, a recreational area, or a cozy relaxation space. A true additional level that gives the triplex an original yet functional dimension. Special attention has been paid to both aesthetics and technical performance: high-performance double glazing, double flow ventilation system, high-efficiency gas condensing boiler, water softener, rainwater collection tank, and compliant electrical installation. PEB C. A rare property, elegantly combining the architectural charm of a master house and the comfort of contemporary renovation, ideally located close to the shops on Avenue Louise, Flagey Square, and its many restaurants, sports facilities, Ixelles Ponds, and the Bois de la Cambre.
